

Join the Friends of Carnegie Library

The Friends of Carnegie Library fight on.

We are determined to have our professionally run library reinstated at the earliest opportunity. If you share this aim please join us today. The more members we have, the stronger we are.

The Friends were formed in 1999 and have worked tirelessly since then to revitalise the library, which was thriving before Lambeth Council closed it on 31st March.

By joining the Friends you will have:

- Regular updates on the campaign
- Latest information about events – which will go on!
- Involvement in your local community
- A voice at our AGM and other members' meetings

See the reverse of this page for actions you can take NOW to help save your library!

We work closely with the supporters of the other Lambeth libraries, with the objective of ensuring a professionally run library service in all 10 libraries.
